

Encroachment Permits

Manual for
Encroachment Permits on
California State Highways

CALIFORNIA DEPARTMENT OF TRANSPORTATION
Traffic Operations
Encroachment Permits Branch
Seventh Edition 2002

Preface

This **Seventh Edition** (revised January, 2002) of the Encroachment Permits Manual describes departmental policy, revisions, and legislative actions that affect the encroachment permit process. Also, providing information on the intergovernmental review process, procedures of the permitting process, storm water management, as-built plan requirements, utility encasement requirements, and other newly developed programs and departmental policies.

The manual's purpose is to maintain uniform methods and procedures in the issuance of encroachment permits. Special situations and circumstances that require deviation from departmental design standards and policy are subject to approval by Headquarters Design and Local Programs (DLP).

Additional information applicable to encroachment permit work, may be found in other departmental manuals.

This manual was prepared by the Headquarters Encroachment Permits Branch, Traffic Operations Program. Information on pricing and additional copies can be obtained by contacting the Department of Transportation, Publication Distribution Unit, 1900 Royal Oaks Drive, Sacramento California 95815, Fax (916) 324-8997 or calling (916) 445-3520. Also, it can be seen on the World Wide Web by accessing:
